GIVING THE GIFT OF JOY

ORPHANS AFRICA

was founded in 2007 as a charitable nonprofit organization dedicated to improving the lives of orphans and widows in Tanzania, East Africa, through education and empowerment.

Your gift of a set of textbooks for an orphan student can mean the difference between a life of poverty and a life of purpose and joy. And we have many such gifts---bricks and lumber for building schools, pigs for widows, desks and chairs for orphans, and more.

*So go ahead and give
the gift of joy heard
round the world!*

All gifts made through these purchases benefit the entire mission of ORPHANS AFRICA. Rather than spend donor funds tracking each gift from donation to disbursement, OA pools your gifts with everyone's gifts to purchase the featured items, distributing the items to our projects where they are needed most.

Your gift is 100% tax-deductible!

From each litter of piglets, the widow gives one piglet away to another widow. This is a gift that keeps on giving!

PREGNANT SOW: Item #677 \$190

TWO PIGLETS: Item #685 \$75

A widow in Tanzania has few rights. Upon the death of her husband, if she has no means for self-sustainability, her husband's family may legally come into her home and take her possessions. She then becomes a servant for her deceased husband's family.

The simple gift of a pregnant sow or two piglets can provide a widow with a sustainable income and an increased likelihood that her children will receive an education.

Recently OA participated in the "HealthEd Connect CHW" training in Malawi. Beginning in 2012, OA will train community health workers (CHW) to provide basic medical care to their communities. CHWs will provide pre-natal care, assistance during labor & delivery, well-baby check-ups, as well as act as the liaison between the village and local health authorities. Your support will ensure this program gets off to a great start!
